## TASC Test English Language Arts Book

Exam SAM's TASC Test English Language Arts Book: 575 Practice Questions for the Test Assessing Secondary Completion with Essay Writing Samples helps you learn the skills that you need for all of the types of questions on the TASC English Test. The book is conveniently organized into four parts. PART 1 - READING SKILLS: The first part of the study guide has 223 reading practice questions on passages from a wide variety of subjects. The different types of reading comprehension questions in this book include all of the reading comprehension skills assessed on the examination. PART 2 - ENGLISH LANGUAGE SKILLS: The second section of the book includes an extensive grammar review guide that shows you how to avoid the errors that students commonly make on the TASC English Test. The grammar guide discusses the standard English grammar conventions, as well as the aspects of language and sentence structure, that are covered on the TASC exam. There are 255 grammar, vocabulary, and sentence correction exercises. PART 3 - ESSAY WRITING SKILLS: The third part of the publication walks you through the essay-writing process. There are five draft essays with 97 further grammatical and structural correction exercises that show you how to overcome common essay-writing mistakes. PART 4 - ANSWER KEY: There are answers and in-depth explanations for the questions to help you understand why each answer is the correct one and to help you gain tips and strategies for the day of your test. Exam SAM's unique study system gives you in-depth focus on just the reading, English language, and essay writing parts of the TASC, letting you perfect the skills in the areas that students find the most troublesome. Get a step ahead in your exam preparation with Exam SAM!

About the TASC Test The Test Assessing Secondary Completion, or TASC, is a high school equivalency assessment. It measures whether test takers have a high-school-level understanding of five basic subjects: reading, writing, mathematics, social studies, and science. In short, it tests everything taught in high school, so that if you didn't earn a diploma, you can still prove you have the equivalent knowledge. About Trivium Test Prep Trivium Test Prep's study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created our Test Assessing Secondary Completion study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our TASC test preparation is specifically tailored for your exact needs.

(This is the U.S. edition of this book. A British edition is also available, "How To Decode Essay Titles") "Assess the proposition..." "Explore the theory..." "Critically examine..." College students are supposed to work out what kind of assignment they're expected to write by reading the topic. But often, assignment topics are so cryptic and perplexing that students can't make any sense of them. Without the ability to figure out what a question is asking them to do, baffled undergraduates sink into despair and exasperation. "How To Decode Assignment Topics" is here to show the way forward. It introduces a three-stage technique which will allow students to unscramble a college-level essay question, revealing... • the task that it is asking them to perform • an appropriate outline for the prospective essay • a full exploration of the question's subject • a clear indication of the information sources that they will need to seek The technique is illustrated with dozens of sample essay questions and finishes with three fully worked examples.
