## The Winning Way 2.0

What makes a sports champion? What makes winning teams? Why do only some teams keep winning while others win only for a while and then lose?" In The Winning Way 2.0, Harsha Bhogle and Anita Bhogle share the key elements that make a winning team. Answering key questions on management and strategy, the authors highlight some important points to remember, making them easier to interpret and understand by comparing them to certain aspects of cricket. This book is a contemporary, refreshing approach to leadership. It aims to change the way people look at the goals in their lives and sets out ways to achieve them.

## The Winning Way

The Winning Way: Learnings From Sport for Managers is a guidebook that pinpoints factors that lead to success. Harsha and Anita Bhogle list out these factors that ensure proven and consistent results even when the level of competition surges. The book makes for an interesting read because these concepts are explained from a sports perspective. They explore and unpeel the mantra behind victorious teams and sporting legends. If you have ever been stumped by the stupendous success of great sportsmen who deliver every single time, The Winning Way: Learning From Sport for Managers spells out the formula. This book comes as a fresh take on leadership from a unique point of view. Harsha and Anita Bhogle take readers through many interesting points, thanks to their wide experience in management and their tryst with sports as well.

## Equal, Yet Different

Equal, Yet Different is exactly how women want to be treated, and need to be treated. Despite the growing number of women acquiring professional degrees, they remain under-represented and almost invisible when it comes to top leadership positions or decision-making roles. While women have proved beyond doubt that they are just as talented and capable as men, they are still held back by expectations laid down by society and a largely unconscious bias on the part of colleagues and family members. Besides grappling with external challenges, women find that their own mindsets are also shaped by similar conditioning. The reasons for women not making it to the top echelons of the business world extend far beyond the known ones like marriage and maternity. Based on in-depth interviews with career women, leaders and experts on diversity, equity and inclusion (DEI), Equal, Yet Different identifies catalysts that can help women achieve maximum potential and fulfilment. This book will benefit all

those interested in women's careers-women themselves, their spouses, bosses and even organizations looking to succeed. ADVANCE PRAISE 'A must-read for all working women who aim to rise to the very top of their game . . . also for the men who lead organizations or someday hope to, and men who have wives/partners. Bravo!' FAYE D'SOUZA, JOURNALIST 'There are many conscious and unconscious mindsets that manifest at home and in the workplace, which continue to hold women back. Equal, Yet Different offers a positive and balanced perspective on the catalysts that could enable career women to achieve their full potential' ANAND MAHINDRA, EXECUTIVE CHAIRMAN, MAHINDRA & MAHINDRA 'A book that does not speak in generalities and actually maps out an action plan for women in the workforce. I plan to implement a lot of her excellent advice and you should too' NAOMI DATTA, AUTHOR AND TELEVISION PRODUCER 'Anita, in writing this book, has gifted us all a true guide and created a new manifesto for an equal world' SHRADHA SHARMA, FOUNDER AND CEO, YOURSTORY MEDIA 'Equal, Yet Different is full of ideas on what career women need to do to become the best versions of themselves . . . she mentions not only areas such as networking and managing finances but gives equal importance to health, nutrition and exercise' RUJUTA DIWEKAR, NUTRITIONIST AND AUTHOR 'A book both men and women must read to bring true diversity to the home and workplace' RASHMI BANSAL, BESTSELLING AUTHOR 'A simple yet thought-provoking read that I recommend not only to all those who aspire to make a mark but also to those who support them in fulfilling their dream' RACHANA RANADE, ENTREPRENEUR AND FINANCE CONTENT CREATOR

### Let's Play

Get ready for some fabulous fun with these action-packed stories from the sports field! Fancied Orchid School is already 33 for no loss in the three overs before lunch. Can Model School successfully unleash its secret weapon, Anshuman the chess nerd, and win the match? The two towns of Dilshan and Deewar have their prides at stake at the annual kabaddi competition, and when Lt. Aaron, owner of Tasty Buds and baker of delectable cakes, announces he will eat his hat if his town actually wins, it spurs the Dilshan-ites to greater heights. Neeru decides to start playing hockey like her mother to deal with her loss, and discovers there's no therapy like getting some dirt on her spotless whites. Hockey, TT, cricket, golf, basketball; winners, losers, underdogs, bullies, heroes and cheats, Let's Play! The Puffin Book of Sports Stories has them all, and more. Funny, uplifting and moving, this unique collection vividly portrays the heartbreaks and triumphs that are an essential part of playing sports, and is an absolute must-read.

### Get to the Top

When it comes to getting ahead in life, who we know is as important as what we do. How do you draw people to you? Impress the powerful? Make an impact and extend your circle of acquaintances? Cultivate influential friends? Suhel Seth, a man who knows almost everyone there is to know in the country, brings you the ultimate guide to social success. From the secret to throwing a successful party to the benefits of befriending the less important half of a couple, he gives you practical advice and strategies to become a successful networker. Inspiring, provocative, and wise, Get to the Top is the ultimate book about wielding soft power.

### Cricket 2.0

WISDEN BOOK OF THE YEAR 2020 Winner of The Telegraph Sports Book Awards 2020 Heartaches Cricket Book of the Year 'Fascinating . . . essential reading' – Scyld Berry 'A fascinating book, essential for anyone who wishes to understand cricket's new age' – Alex Massie, Wisden Cricketers' Almanack 'An invaluable guide' – Mike Atherton, The Times 'excellent . . . both breezily engaging, and full of the format's latest, best and nerdiest thinking' – Gideon Haigh, The Australian 'The century's most original cricket book . . . An absorbing ride . . . some of their revelations come with the startling force of unexpected thunder on a still night' – Suresh Menon, editor Wisden India Almanack Cricket 2.0 is the multi award-winning story of how an old, traditional game was revolutionised by a new format: Twenty20 cricket. The winner of the Wisden Almanack Book of the Year award, the Telegraph Sports Book Awards' Cricket Book of the Year and selected as one of The Cricketer's greatest cricket books of all time, Cricket 2.0 is an essential read both for Test and T20 cricket lovers alike, and all those interested in modern sport. Using exclusive interviews with over 80 leading players and coaches – including Jos Buttler, Ricky Ponting, Kieron Pollard, Eoin Morgan, Brendon McCullum and Rashid Khan – Tim Wigmore and Freddie Wilde chronicle this revolution with insight, forensic analysis and story-telling verve. In the process, they reveal how cricket has been transformed, both on and off the field. Told with vivid

clarity and insight, this is the extraordinary and previously misunderstood story of Twenty20, how it is reshaping the sport – and what the future of cricket will look like. Readers will never watch a T20 game in quite the same way again. "For people that love cricket it's really important to read it," said Miles Jupp. "I found it extraordinary."

### Reimagining India

"From the world's premier management consultancy McKinsey & Company, a comprehensive collection of essays by the brightest experts on what the new global elite needs to know about modern India"--

### Playing It My Way

'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne This is cricket icon, Sachin Tendulkar's life story in his own words - his journey from a small boy with dreams to becoming a cricket god. His amazing story has now been turned into a major film, A Billion Dreams, in which he stars. The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

### The Caravan Book of Profiles

Whether it is getting the scoop on insider influence or anointing game changers, Caravan has made a place for itself in the minds of readers in India and beyond, winning countless awards and accolades and showcasing the finest writers and thinkers in long-form journalism. Twelve definitive profiles of our agents of change are presented in this volume, with new insight from their authors on their place in contemporary Indian history: Praveen Donthi on finance minister Arun Jaitley; Leena Reghunath on Swami Aseemanand; Krishn Kaushik on former Attorney-General Goolam Vahanvati; Mira Sethi on Pakistan Prime Minister Nawaz Sharif; Deepak Adhikari on Nepal Prime Minister Prachanda; Mark Bergen on Raghuram Rajan; Samanth Subramanian on Sameer Jain; Mehboob Jeelani on Ponty Chadha; Rahul Bhatia on N. Srinivasan; T.M. Krishna on musician M.S. Subbulakshmi; Ali Sethi on Farida Khanum; Baradwaj Rangan on Vikram; and Vinod K. Jose on Prime Minister Manmohan Singh. In this invaluable collection, the pioneering journal presents a valuable and far-reaching record of our times for readers, citizens and students of journalism alike.

### The Dhoni Touch

For over a decade, Mahendra Singh Dhoni has captivated the world of cricket and over a billion Indians with his incredible ingenuity as captain, wicketkeeper and batsman. Bharat Sundaresan tracks down the cricketer's closest friends in Ranchi and artfully presents the different shades of Dhoni-the Ranchi boy, the fauji, the diplomat, Chennai's beloved Thala, the wicketkeeping Pythagoras-and lays bare the man underneath. He discovers a certain je ne sais quoi about the man who has a magical ability to transform and elevate everything which comes into his orbit-the Dhoni Touch. Funny, candid, and peppered with delicious anecdotes, The Dhoni Touch reveals an ordinary man living an extraordinary life.

### Don'T Lose Your Mind, Lose Your Weight

Don't Lose Your Mind, Lose Your Weight, the country's highest-selling diet book, has revolutionized the way Indians think about food and their eating habits. Funny, easy to read and full of great advice, it argues that we should return to our traditional eating roots (yes, ghee is good for you), nutrients are more important than calories (cheese over biscuits) and, most importantly, the only way to lose weight is to keep eating. Rujuta Diwekar is one of the country's best nutritionists, with deep roots in yoga and Ayurveda and a client list which boasts some of Bollywood's biggest names. In the updated edition of this classic, she has added an extensive Q&A section which deals with the questions she gets asked most by her clients.

#### 281 and Beyond

A stylish batsman who could score against any kind of bowling, VVS Laxman played over a hundred Tests to aggregate more than 8,000 runs. Cricket fans still remember with awe his game-changing knock of 281 against Australia in 2001 at Eden Gardens. But playing for India was never easy. He was dropped as often as he was picked, and despite his vast experience and unimpeachable skill, he never made it to a World Cup team. All through his playing years, Laxman was known to be a soft-spoken man who kept his distance from controversy. Which is what makes this autobiography truly special. It's candid and reflective, happy and sad by turns, and deeply insightful. He writes of dressing-room meltdowns and champagne evenings, the exhilaration of playing with and against the best in the world, the nuances of batting in different formats and on various pitches, the learnings with John Wright and the rocky times under Greg Chappell. In 281 and Beyond, Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket.

#### Out of the Box

Harsha Bhogle in his weekly column in the Indian Express has captured the entire gamut of Indian cricket. Out of the Box brings together the very best of Harsha's writings, in a book that will be a veritable delight for any cricket fan. Knowledgeable, frank and witty, and with a sense of drama comparable to that of cricket itself, Harsha brings the nation's cricketing ethos inimitably to life. And he is at his best when paying tribute to some cricketing greats: Lara, Inzamam, Jayasuriya, Ganguly, Sehwag, and the incomparable Tendulkar. As he follows India's fortunes on the cricket field at home and overseas, Harsha asks the question: can India really be no.1 in all three forms of the game? The answer lies in our history, and in the pages of Out of the Box

## Is Your Child Ready to Face the World?

Being a good parent is a skill that is acquired over time, one that requires constantly adapting to the rapidly changing times. In today's world, where academics, extra-curricular activities and distractions in the shape of numerous gadgets make heavy demands on children's time, it is tough to communicate with them. Dr Anupam Sibal, through his experience as father, paediatrician and Group Medical Director of Apollo Hospitals Group, outlines his approach to effectively getting through to children and mastering the art of parenthood. Focusing on the different values and qualities that make a good person, Dr Sibal has a hands-on approach to instil each of these in a child. Exploring the crux of parenting, this book asks and answers whether your child is ready to face the world.

## Emerging Indian Scenario Harnessing the Opportunities

A tell-all book on and by Pakistan cricket's fastest and most controversial bowler One of the most talented and certainly one of the most colourful players in the history of cricket, Shoaib Akhtar holds the record for the fastest delivery ever, clocking in at 11.2 mph. Having taken more than 400 wickets in his international career, Shoaib has seen it all—the best matches, the most exciting tournaments, the highs and lows of personal achievement and failure. *Controversially Yours* is his take on the game, on his peers, on the fraught tussles between bowlers and batsmen and, of course, the institutions that control the sport, including the ICC and the Pakistan Cricket Board. From the early days of struggle to the 2011 World Cup, this is Shoaib's story in his own words, straight from the heart.

## Controversially Yours

Abhinav Bindra's journey to become the first Indian to win an individual Olympic gold is an example of a single-minded quest for perfection. Shattered by his failure at the 2004 Athens Olympics, he changed as a shooter: he became an athlete bent on redemption.

## A Shot at History

A Place in My Heart is a many-splendored thing. It is a listicle. It is a celebration of the power of storytelling. It is also an account of a life lived in the Bollywood trenches. National Award-winning author, journalist and film critic Anupama Chopra writes about fifty films, artistes and events that have left an indelible impression on her and shaped her twenty-five-year-long career. Shah Rukh Khan is here. So are Super Deluxe and the Cannes Film Festival. A Place in My Heart is a blend of recommendations and remembrances, nostalgia and narratives. It is a smorgasbord of cinematic delights, written, as Marie Kondo would say, to 'spark joy.' Above all, it is a testament to Chopra's enduring love for all things cinema.

In the fall of 2013, while at a crossroads in life after a divorce, Aaron Lauritsen, did what many of us dream of doing but few ever will, he put his problems in the rearview mirror and headed out the door. After selling his business and all his possessions, he and his trusty K9 companion, Athena-bear, jumped in his Toyota pick-up truck, then ventured into the heart of North America for a road trip to end all road trips. Because he hoped that by getting lost out there he would somehow find himself again, he

left without a plan or even a map, then for one hundred glorious days journeyed the continent carefree, via secondaries that were not only off the beaten track, but that were often all but forgot. On them he traversed some 30,000 zig-zagging miles through thirty eight of the lower forty eight states and seven of the ten Canadian provinces. And yielded in the process an untold number of encounters weaved by confronting personal fears, history, worldly cities, eccentric people and adventurous activities. The real prize afforded by the time, distance and space however, was his spiritual awakening. Follow along as he paints that epic voyage of discovery and experience the same unexpected serendipity that awaited them around each bend of the open road.

In this one-of-its-kind book by the late Alyque Padamsee, he invites us to re-examine and think afresh about some of our most deeply held beliefs, from love, marriage, terrorism, leadership, money, gender, faith to education. Let Me Hijack Your Mind is Alyque's parting gift to Indians, exhorting them to throw out the old and embrace new ways of approaching everything, which will lead them towards a more exciting and contented life-and a better society and country. It is a way to open windows in their mind to think about life aside from greed, power and money. This is a book designed to throw everyone off-balance in a good way, because it is crammed with fresh ideas on how to live, how to dream and how to completely reset our mindset and attitudes. As Alyque says in his inimitable style: 'Get people out of stuffy thinking.' Some of the provocative questions he asks are: - Why should marriage be 'till death do us part'? - Why are terrorists breaking the law of their very own holy books? - Why are multinational companies obsessed with GNP (Gross National Product) instead of GNH (Gross National Happiness)? - Why do men fear women? And why do women hate themselves? A fun, racy and often shocking read, the book busts some of the most well-known taboos, includes life hacks drawing on his experiences in advertising and theatre, as well as new 'commandments' for the present generation.

In this darkly suspenseful romance mystery, Akshara is left facing a truth that will make her doubt not just Harry but herself as well . . .

### The Girl Who Knew Too Much

-- The 2017 ICC Women's Cricket World Cup saw the Indian team make it to the finals, and although it lost the game, the tournament marked an unprecedented high for viewership for women's cricket in India. The ensuing euphoria that followed, including the announcement of two film-deals with the team's leading stars, ensured that the only direction where Indian women's cricket could go from there was up. Free Hit is the untold story of how women's cricket in India got here, and casts light on the gender-based pay gaps, sponsorship challenges, and the sheer indifference of cricketing officials it faced along the way. Focusing on Mithali Raj, the world's greatest female batsman, and Jhulan Goswami, the leading wicket taker in women's cricket, author Suprita Das takes us into the lives of the spirited bunch of women who, across the years, just like their male counterparts, also brought home laurels that are worth celebrating.

### Free Hit

The deafening noise in the Wankhede turns to silence so complete that you'd swear you can hear Tendulkar's footsteps as he begins the walk back to the pavilion. It's the end of an era, they said. No

more switching off televisions when he got out; no more resounding chants of 'Sa-chi-i-i-n, Sa-chin!' In November 2013, Sachin Tendulkar played his final Test. Dilip D'Souza builds on close and detailed observation of those two and a half days, capturing all the hysteria it spawned, the love and adulation that showered from the rafters at the Wankhede, the choking emotion, and yes, there was a match on too, against the West Indies. Final Test discusses cricket from the old to the new, as Sachin takes to the pitch one final time.

### Joy Of A Lifetime

Not everything has an explanation in terms of science, which needs evidence and tangible experience. Many things are happening around us that lack explanation, and intelligent people often strike them off as conspiracies. The forests and the less trodden trails hold lots and lots of secrets, which probably could not be deciphered by present knowledge. A thought conceived in my mind took the shape of a story that I made into a book. I wish you an enchanting stroll through the book.

A startling and powerful journey to the very core of India's illegal bookmaking industry that exposes the scale of corruption and the match-fixing that now runs rife throughout world cricket. For several years Ed Hawkins made friends with India's illegal bookmakers - men who boast turnover of hundreds of millions of dollars per cricket match - as well as the corruption officers of the International Cricket Council who are trying to shut them down. It's a shady world and rumours abound. But then Hawkins receives a message that changes everything and he decides it is time to expose the truth behind match-fixing. Bookie Gambler Fixer Spy is a story featuring politicians, governing bodies, illegal bookmakers and powerless players - as well as corruption, intimidation and even suicide. It is a story that touches all cricket-playing nations around the world. It is a story that every cricket fan must read. You might never again watch a cricket match without suspicion...

### MANORMANI

A sporting classic and a manual for living Sourav Ganguly life has been full of highs and lows. Arguably India greatest cricket captain, he gave confidence to the team, reenergized them and took India, for the first time, to spectacular overseas victories. But Ganguly story also came with great challenges from his early days where he had to wait four long years before being included in the team to the ugly battle with the Australian coach Greg Chappell. He fought his way out of every corner and climbed back up from every defeat, becoming India ultimate comeback king. What does it take to perform when the pressure is skyhigh? How do you fight back and win? How do you make a name for yourself when you are young and have started the journey which is closest to your heart? As Sourav takes you through his life, he looks at how to overcome challenges and come out a winner. Time and time again.

Eleven Gods and a Billion Indians goes deep into every Indian cricket tour since 1886—taking the reader backstage to when India played its first test in 1932, and bringing the story forward to the more contemporary IPL—to provide a complex and nuanced understanding of the evolution and maturity of the game. Equally, it comes with material that has never entered the public domain so far—going behind the scenes of cases like Monkeygate, the suspension of Lalit Modi, spot-fixing, and the phase of judicial intervention. It carries not just reportage and analysis, but also player reminiscences, personal interviews, photographs and letters never known or discussed so far in Indian sporting discourse. Weaving together such material, Eleven Gods and a Billion Indians unflinchingly confronts questions that demand answering, among them: Has internal bickering impacted the on field performance of the Indian cricket team? Did some of our icons fail the country and the sport by trying to conceal important facts during the spot-fixing investigation? And does it matter to the ordinary fan who heads the BCCI as long as there is transparency and accountability in the system? In the end, in telling the story of the role of cricket in colonial and post-colonial Indian life, and the inter-relationship between those who patronize, promote, play and view the sport. Eleven Gods and a Billion Indians unravels the story of a nation now considered the financial nerve centre of world cricket.

### A Century Is Not Enough

The Nice Guy who finished first is a remarkable story of Rahul Dravid's illustrious career in international cricket that commenced in 1996 and continues to flourish nine years later. IT tells the tale of a young man who has succeeded in his chosen profession through an ardent faith in the three 'D's of dedication, discipline and determination. The biography reconstructs the incidents and events that have contributed to making Rahul Dravid one of the greatest cricketers to have played the game, and an epitome of grace, humility and commitment to his team's cause. It is a tribute to a role model who has refused to rest on his laurels, and remains an intense in his quest for perfection as he was when he started out. Rahul Dravid's moments of triumph are described, as also his trials and tribulations. The book, narrates the epic battle, one that he eventually won, to break freed of the stereotypes that haunted him in his early yeas at the international level. His efforts to emerge from the intimidating shadows cast by his teammates and contemporaries are illustrated in great detail. The book highlights the physical, mental and of course, technical attributes that have elevated Rahul to legendary status. In this honest endeavour to recount the story of Rahul Dravid, the author is assisted by reminiscences from his mentors, seniors, teammates and even opponents, all of whom witnessed the making of a cricketing legend from close quarters. Then, there are the photographs, some of the best ever, which showcase, quite literally, the genius of one of India's al-time greats. It is an engaging, absorbing and succinct read.

"I want to die at a hundred years old after screaming down an Alpine descent on a bicycle at 75 miles per hour. I don't do anything slow, not even breathe. I do everything at a fast cadence: eat fast, sleep fast." At twenty four, Lance Armstrong was already well on his way to becoming a sporting legend. Then, in October 1996, he was diagnosed with stage four testicular cancer. When lesions appeared on his brain and in his lungs, doctors gave him a 40% chance of survival. On that day Armstrong's life changed forever and in typical fashion he met the challenge head on - this was one fight he was determined not to lose. As he battled against the cancer invading his body and the chemotherapy that threatened to sap his soul, a tremendous sense of commitment emerged, to his training and to the people around him who never gave up on him. Just sixteen months after he was discharged from hospital, Armstrong entered the Tour de France, a race famed for its gruelling intensity, and won, in the fastest ever time. Just a few months after that, he became a father. It's Not About the Bike is the story of one man's inspirational battle against the odds, charting his progress through triumph, tragedy and transformation. This is an awe-inspiring tale of immense courage and will.
