Man has to live in society for his existence and welfare. In almost all aspect of his life he feels the need of society.

"Man is not born human but to be made human". Hence there exists a great deal of close relationships between man and society.

Man is Social By Nature Man is a social animal because his nature makes him so. Sociality or Sociability is his natural instinct. He can't but live in society.

Necessity makes Man a Social Animal Man is a social animal not only by nature but also by necessity. It is said that needs and necessities makes man social.
