installing a split air conditioner system

the wall mount

measure the distance between the holes of the wall

use a five millimeter masonry drill with a bosch hammer

prepare to drill the 65 millimeter hole in the wall

use a long masonry drill to pre-drill

start making the hole little by little

making sure the inner and outer holes are matching

connect all cables and wires to the indoor units

lay all the cables out

connecting the coolant lines to the inside unit

tighten the connections with the adapter and the torque

secure the insulation

hang the unit on the wall bracket plate

use some insulating foam

attached properly onto the wall the first 90 degree elbow

push the pipes over the bundle one after the other

cut a hole in the pipe

mark the holes for the bracket

put the outer unit on the bracket

run a separate wire from the house fuse box

close the wire terminal and the wall cord cover

hold the entire connector on the unit with a wrench

press onto the valve with a little piece of wire

turn the valve open

turn on the power with the separate fuse

Basic DIY on how to **install**, any mini **split**, including what tools are needed. If you can use a drill, you can do this ...

start by drilling a pilot hole

bury the excess amount of this tubing in the wall

cut the lines to length

chopping off maybe seven or eight feet of pipe

put a little bit on the back side of the flare connection

make sure that my line is coming in at the proper angle

finish up the wiring at the outdoor compressor

install the trim plate

put in a pair of breakers

connect to your low pressure hose

closed the valve on the low side

get enough refrigerant in the line

let it sit for another five ten minutes

release all of the refrigerant in the system

open the valve

open this valve

I hate Mitsubishi mini splits

I think we have a refrigerant leak

Start searching for refrigerant leaks

High-efficiency costs reliability

Didn't save money with mini split

How to factory settings to charge it

Starting system vitals

How I'm going to recharge it

This little piggy went wee, wee, wee

Thanks to look out for

Fluke 376FC meter

verifying compressor speed

Fluke 902 FC versus the 376 FC

Verify, temperature rise and drop a crossed coils

Compressors going faster

Electric Expansion Valve (EEV) Operation and Testing! HVAC Metering Device Training! - Electric Expansion Valve (EEV) Operation and Testing!
