Arjun: Without A Doubt

I knew there was nothing poetic about death. I knew not that the most horrific battles are fought off the battlefield. Arjun: The idealist in a non-ideal world; the warrior whose deadliest opponent was his conscience. History forgot his voice, but misquoted his silence. My self-esteem originates from me and ends in me. Why does your honor depend on me? Find your own. Draupadi: The untamed tigress, the fragrant flame, the unbridled spirit. Power does not justify sin. Power is not virtue. Virtue is that which lasts in spite of power. Krishn: The enigma whose unique ideology churned the battlefield into a quest for Truth. The Missile ... The Trajectory ... The Vision. The trio that makes for the core of The Mahabharata (Indian Epic). This is their saga. Insightful, visceral and candid. Find 'other' famous Arjuns; compare Arjun vis-a-vis Achilles and Alexander; Explore Myths of Mahabharata. All this and much more in 'Arjun: Without A Doubt'. First published in 2015 by Leadstart Publishing Pvt. Ltd. Genre: Epic/ Indian Mythology/ History/ Fiction Website: <http://sweetyshinde.wordpress.com>

The Game Changers

Suman, a compassionate teenage beauty and a dream girl of every boy is in steady pursuit of her life's goals when she runs into a young beggar girl and the purpose of her life changes. During her eventful journey, she crosses paths with two headstrong and extremely patriotic youth. One is an ardent supporter of a separate state movement and is hell-bent upon achieving the seemingly impossible. The other is a giant volcano full of aggressive enthusiasm and revolutionary ideas, resolved to transform the whole country, take it to a different level. They set out on different paths. Sparks are bound to fly when great passion meets surreal beauty. Love blossoms. But are their personal feelings greater than their ultimate goals? Are their goals inter-related? Do these fiery youngsters achieve what they dream of? The Game Changers – youth on fire is a story about three common, yet not so common youngsters of India, who whole-heartedly dedicate themselves to their causes in life. It is a narration full of youthful energy, fun, great transition and an unpredictable climax. Last but not the least, Kiran Kumar, the writer, has expressed through this book his strong belief that youth has an amazing energy in them, a fire which when channelized constructively, can yield incredibly positive results.

ARJUNA

Arjuna is the immortal tale of one of India's greatest heroes. These pages retell in riveting detail the story of the Pandava Warrior-Prince who has captured the imagination of millions across centuries. This is the intense and human story of his loves, friendship, ambitions, weaknesses and follies, as well as his untimely death and revival, his stint as a eunuch, and the innermost reaches of his thoughts. Told in a refreshingly modern and humorous style and set against the staggering backdrop of the Mahabharata. Arjuna's story appeals equally to the average, discerning reader and the scholar. It spans the epic journey from before his birth, when omens foretold his greatness, across the fabled, wondrous landscape that was his life.

Mahabharata For Young Readers

A rigged game of dice brings the 100 Kaurava princes, led by the scheming Duryodhana, to the battlefield against their cousins, the five Pandavas – the noble but gullible Yudhishtira, the mighty Bhima, master archer Arjuna and the twins, Nakula and Sahadeva. The epic war of Kurukshetra, which lasted 18 tragic days, pitted brother against brother, uncle against nephew and disciple against teacher.

The intense battles between warriors equally fearless and skilled – Bhima and Duryodhana, Arjuna and Bheeshma, Drona and Dhrishtadyumna, and Karna and Arjuna – were as much conflicts of loyalty and ambition as they were of choices. The side they chose to support, or fight against, led them into a labyrinth of duty and destiny, where both the defeated and the victorious lost something or someone precious to them. This classic retelling of the Mahabharata, was written especially for young readers by the inimitable Upendrakishore Ray Chowdhury, and originally checked and proofed by none other than Rabindranath Tagore. Translated for the first time into English by leading children's writer and translator, Swapna Dutta, this eternal tale is brought to life in all its drama and detail.

Young Pandavas: The School for Warriors

Even princes have to go to school! Arjun's dream is finally coming true! The elders of Hastinapur are sending the Kuru princes off to boarding school, so that they can learn the art of war from the legendary Guru Dronacharya. His brothers – Yudhishtir, Bhim, Nakul and Sahadev – are, however, less than thrilled. School is hard, and training to be magic-wielding warriors isn't nearly as fun as it sounds. Also, getting into Guru Drona's good books is next to impossible, especially when he has a clear favourite – his own son, Ashwatthama. But Arjun's determined to be the BEST student in the gurukul, even if it means defying Drona himself. Meanwhile, Bhim has to be careful not to destroy everything he touches... The second book in the exciting Young Pandavas series is packed with even more surprises, action and magic than the first!

Arjun

This book presents eight Kathas that capture the essence of the conversation that took place between Lord Krishna and Arjuna during the Kurukshetra War. The message of each of these Kathas is simplified and conveyed through stories that children can relate to and understand. The stories will help children comprehend the attitude of the people they meet in their everyday life, their own response to them and to life in general. The stories are interspersed with activities to reinforce the message of the Gita.

The Gita and You

A children's story featuring Arjuna, a compassionate warrior who must choose between abstaining from battle or fulfilling his destiny to end the war • Based on the Mahabharata, the famous Indian epic, adapted for Western children • Illustrated throughout with glowing full-color paintings in traditional Indian style We are all born for a purpose, though sometimes it is not clear to us what it is. In this tale of good versus evil, cousin versus cousin, Prince Arjuna knew that his purpose, his dharma, was to fight in the battle against the greedy and cruel king Duryodhana. Yet his own relatives and friends were on the opposing side. With a lot of soul searching and divine advice from the god Krishna, Arjuna bravely chooses to fulfill his destiny as a warrior with compassion and kindness, restoring peace, justice, and prosperity to his kingdom. This adaptation for children of the classic epic the Mahabharata is beautifully illustrated with paintings created in a centuries-old method traditional to India. Richly detailed, the paintings bring to life the colorful cast of characters as well as Arjuna's inner conflict and the trials he faces on the path of loyalty, justice, and peace.

Tales of Arjuna

Welcome to Shore Mount — one of India's most prestigious co-ed residential schools. Here, short skirts reign and sports stars are revered, and skinny dips and sneaking girls into boys' rooms are as much a part of the curriculum as the cool Mr Gomez's literature lessons... Into this world arrives Nirvan Shrivastava, with tremendous expectations weighing on his shoulders. After all, he's following in the footsteps of three generations of brilliant Shrivastavas immortalized on every possible honors board in the school. As he hesitatingly negotiates the crazy roller-coaster ride that is life at Shore Mount, he finds true buddies in Gautam, an unlikely musical genius obsessed with all things edible, and Faraz, the slick ladies' man. Together the boys discover that in Shore Mount survival means much more than braving the chill of heater-less dorms, or scrubbing toilets clean with toothbrushes. And as they learn to stand up to vicious bullies on and off the playing fields and survive the agony of heartaches and broken bones, they find themselves hurtling towards adulthood far sooner than they could have ever imagined...

Arjun's Dot Grid Journal

The heroes of the two epics, Ramayana and Mahabharata, have become one with the lives of countless generations of Indians. Their characters are imprinted on peoples' minds, sometimes even more firmly than those of their brethren around. Stories are built

Arjuna P G ava

Arjun Rising is a truly remarkable memoir about Hope, Inspiration, Resilience and Humility. It follows the life journey of Richard Arjun Kaul as he is faced with the death of his mother at 14, his father at 16, a medical manslaughter charge at 34, and a life story so honest and turbulent that it will leave you truly astonished. This young teenage orphaned boy survived each ordeal to become a model, a loveable womanizer, a rehabilitated addict, and a leading physician in Minimal Invasive Spine Surgery. This man is triumphant in the way he has battled through each part of his life relentlessly, until he recently found the spiritual light and guidance to become the proud Kashmiri Brahmin that ties him deeply to his Indian father's bloodline.

Third Best

Presents a distinctive and modern treatment of quantum mechanics, including detailed chapters on group theory and quantum entanglement.

Tales of Arjuna

In the 19th year of his life, Yashasvi tried to end his life. Follow the journey of Yashasvi and millions of other people who are tormented by their own minds. This is not a self-help book. Mental health is no longer just about helping yourself. It is a movement against an invisible crisis that breeds inside our minds. A crisis that makes you question the voice in your head. Yes, the same voice that is reading this out to you. True stories, research, statistics and facts. This book will convince you why mental health cannot be just about self-help anymore, and why people like Yashasvi need our help.

Arjun

Inspired by his childhood friend, Arjun, Darshan risks everything for his dreams and runs into his worst nightmare – almost throwing away his career, marriage, even his best friend. How can Darshan reclaim his life? What happens to Arjun's dream, trapped in a survival crisis? It's 3 a.m. Darshan wakes up from a nightmare and sees a call from an unknown number. Still shuddering, he picks it up and... This might have been the story of the friendship of Arjun and Darshan, two middle-class Bangalore boys chasing their dreams. It could also be about the heady startup culture, the disillusioned career, a marriage on the rocks, a grieving family, sexual harassment at work or that friend you can neither trust nor desert. Instead, it is an unputdownable thread of courageous conversations that reveal how two friends step up to their life's most daunting invitations.

Book 2 of Dr. Kalyan Kankanala's Intellectual Property Novels Theme: Copyright Piracy and Bollywood Industry " ... There is suspense, violence, heroism, love, social commitment, humanism, poverty, law, legal analysis, arguments and much more in this novel, which makes it a pleasurable read. The novel has professional value which recommends itself to be read by lawmen (law teachers, law students and advocates) and entertainment value which recommends itself to be read by all." -Professor CS Patil, Journal of Entertainment and Sports Law "But one thing is sure you simply can't take a coffee break while enjoying the read-more addictive than caffeine! ..." -Jayashree Roy, Book Reviewer In this action

packed novel, Arjun Mamidi goes after pirates in the city of Bollywood, Bombay. Unlike his battle with the pharma industry in 'EPIDEMIC', Arjun's war against the Piracy Mafia is murderous, adventurous and tortuous. About Arjun Mamidi Arjun Mamidi is a young IP attorney with a small law practice. Unlike many of his peers, he is honest, forthcoming and fiercely independent. His escapades with powerful adversaries, crafty attorneys and ruthless criminals constitute Dr. Kalyan Kankanala's Arjun Chronicles. Arjun is blind, but he neither acknowledges it, nor lets it hold him back. He is assisted by Jose, a capable, reliable and lighthearted ally. Dr. Kalyan is a novelist and Thai yoga masseur from Bangalore, India. He started his fiction writing with legal thrillers, and is currently writing historical and crime thriller novels. Some of his novels were among best sellers on different stores, and have been listed among the 'must reads' for people interested in the law thriller genre. He is an IP attorney by profession, and is listed among the top intellectual property minds in India. Dr. Kalyan Kankanala writes extensively on intellectual property issues, and has published highly referenced books and law review articles on the subject. Dr. Kalyan is also a trained Thai yoga masseur, and provides Thai yoga body work as a hobby. He combines his learnings from psychology, music therapy and body work to offer meditative and relaxing massages.

SHHH! DON'T TALK ABOUT MENTAL HEALTH

Hari Kunzru's Transmission is a witty novel about cyberspace, a Bollywood dancer and a world where everyone is connected. It's the twenty-first century, and everything and everyone is connected. Meet Arjun Mehta, an Indian cybergeek catapulted into California's spiralling hi-tech sector; Leela Zahir, beguiling Bollywood actress filming in the midge-infested Scottish wilds; and Guy Swift, hyped-up marketing exec lost in a blue-sky tomorrow of his own devising. Three dislocated individuals seeking nodes of connectivity - a place to fit in. Yet this is the twenty-first century, and their lives are about to become unexpectedly entangled as a virus spreads, and all their futures are rewired. But will it take them further from their dreams, or closer to their hearts? 'An aphoristic joke, a neat turn of phrase; a joke that makes you laugh . . . there's nothing Kunzru couldn't manage in prose. Thoroughly engrossing' Literary Review 'Funny, heartfelt and beautifully written, confirms Kunzru as one of the most talented writers of his generation' Image 'Very enjoyable, I couldn't put it down. Funny and wry; it is deftly plotted; its characters intimately drawn. Blissful' Observer 'Utterly affecting, a novel with devastating satirical bite' Financial Times Hari Kunzru is the author of the novels The Impressionist, Transmission, My Revolutions and Gods Without Men, and the story collection Noise. He lives in New York.

How online affinity networks expand learning and opportunity for young people Boyband One Direction fanfiction writers, gamers who solve math problems together, Harry Potter fans who knit for a cause. Across subcultures and geographies, young fans have found each other and formed community online,

learning from one another along the way. From these and other in-depth case studies of online affinity networks, Affinity Online considers how young people have found new opportunities for expanded learning in the digital age. These cases reveal the shared characteristics and unique cultures and practices of different online affinity networks, and how they support “connected learning”—learning that brings together youth interests, social activity, and accomplishment in civic, academic, and career relevant arenas. Although involvement in online communities is an established fixture of growing up in the networked age, participation in these spaces show how young people are actively taking up new media for their own engaged learning and social development. While providing a wealth of positive examples for how the online world provides new opportunities for learning, the book also examines the ways in which these communities still reproduce inequalities based on gender, race, and socioeconomic status. The book concludes with a set of concrete suggestions for how the positive learning opportunities offered by online communities could be made available to more young people, at school and at home. Affinity Online explores how online practices and networks bridge the divide between in-school and out-of-school learning, finding that online affinity networks are creating new spaces of opportunity for realizing the ideals of connected learning.

God Talks With Arjuna

In Poondy, fruits are always falling on people's heads—from the jackfruit, coconut and toddy trees—causing many injuries. So all the Poondizens wear fruit-helmets invented by the legendary Falwala. Bim loves Poondy, with its falling fruits, its Wise Man and its barber-detective. Then one day, Miss Chitty, Bim's mother, who drives a coffee-coloured taxi, decides to move away from Poondy. Bim's last two weeks in his home town are full of strange and exciting adventures—from a bat attack to a bike theft—that can only happen here! Arjun Talwar's debut novel is a mad and hilarious romp through a town filled with eccentric people. It is brought to vivid life by Shilpa Ranade's beautiful illustrations.
