### Signs of Christ's Return

"And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also." John 14:3 ESV Jesus Christ was very clear: One day He will return-and none of us knows when. Vocal fanatics claim to know the details of the Second Coming, causing many Christians to all but ignore the good news that Jesus is coming again. Yet God's own Word commands us to know the signs of the times, to remain watchful, and to be ready-whenver Christ comes. This book is a straightforward, in-depth exploration of the key biblical texts regarding the Second Coming; most notably, Christ's longest and most important eschatological message, the Olivet Discourse. As you study what the Word of God says about these matters, it will stir in your heart an earnest longing for Christ's return-as well as a certainty about how to live expectantly until He comes again.

### The Second Coming

One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ. God has not left us in the dark concerning the details of Christ's future coming, but has given us several clear prophetic signs to watch for. Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age. If you ever wondered why the world is the way it is, and where it is headed, then you need to read this book! Whether you are a Christian or not, this revealing work will give you the vital information you need to prepare for what may come in the near future, and for eternity itself. (this book gives much historical information, compares worldviews, and provides several charts for a better understanding of historical developments).

### Signs of the Second Coming of Jesus Christ and the End of the World

The Bible is filled with prophecies. Some have already been fulfilled, while others are still awaiting their ultimate fulfillment. These seven prophecies, some fulfilled and some unfulfilled, must come to pass before Jesus Christ returns to earth. For the first time in history, each one is possible. Will this generation see Jesus' return? Inside this booklet: - Introduction: Seven Prophetic Signs Before Jesus Return - 1. Mankind Must Have the Ability to Exterminate Itself - 2. A Jewish Homeland will be Established in Israel - 3. The "King of the North" and "King of the South" will Rise as Regional Powers - 4. A Dominating Roman System Will Come to Power - 5. The United States and Great Britain will Fall with the State of Israel - 6. The Gospel of the Kingdom will be Preached in the Entire World - 7. Instant Worldwide Communications will be Possible at the Time of God's Final Two Witnesses

### Seven Prophetic Signs Before Jesus Returns

Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the “remnant”—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return will help you be certain you are part of God's remnant. The signs of the end of the age and Jesus's appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God's time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God's perfect will for your life and participate in His supernatural, last-days purposes!

### Jesus Is Coming Soon

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

### Understanding End Times Prophecy

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

### Revelation

Speculates on current and past events which support Biblical prophecies related to the second coming of Jesus Christ.

## 7 Signs of Christ's Return

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

## Because the Time is Near

The Second Coming of Jesus is the capstone of Scripture. But how does it relate to other teachings of the Bible? In what way are doctrines that launched the Protestant Reformation foundational to the certainty of the Advent. Ed Zinke connects the dots to reveal not only a coherent system of truth we can trust, but a reliable God we can love. He shows that doctrine is not an end in itself, but a means of understanding the One who is coming for us. This is a full-message book. - Foreword, Introduction, Is Christianity Christian?, The Authority of the Bible and the Certainty of the Second Coming, Creation and the Certainty of the Second Coming, Of Relative Truths and Redemptive Symbols, The First Coming Prepares for the Second Coming, Salvation and the Certainty of the Second Coming, The Sanctuary and the Second Coming, Such a Cloud of Witnesses and the Second Coming, The Witness of the Remnant and the Second Coming, Should Our Nineteenth-Century Prophetic Schema Be Revised, The Certainty of the Second Coming, The Millennium, the Destruction of the Wicked, and the New Earth, God Reveals His Righteousness

## The Certainty of the Second Coming

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Something New Is Coming — Watch for the Signs Signs. They are important in almost everything we do. Nearly everywhere we go, there are signs in our lives that serve to guide us. We look for them wherever we travel, whether to the next city, state, or country — or to the next phase of our journey through life. Jesus thinks signs are...

## The Last Days According to Jesus

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

## What is Reformed Theology?

-Can an orthodox Christian, committed to the historic faith of the church and the authority of the Bible, be a universalist? -Is it possible to believe that salvation is found only by grace, through faith in Christ, and yet to maintain that in the end all people will be saved? -Can one believe passionately in mission if one does not think that anyone will be lost forever? -Could universalism be consistent with the teachings of the Bible? Gregory MacDonald argues that the answer is yes to all of these questions. Weaving together philosophical, theological, and biblical considerations, MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology. This second edition contains a new preface providing the backstory of the book, two extensive new appendices, a study guide, and a Scripture index.

## The Evangelical Universalist

Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

## The End Times in Chronological Order

More than fifty scholars, under R. C. Sproul, collaborated to produce this study Bible to help readers understand the great doctrines of the Christian faith. Published by Ligonier Ministries, trade distribution by P&R Publishing.

Mariam is only fifteen when she is sent to Kabul to marry Rasheed. Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

## A Thousand Splendid Suns

This volume, based on seventy-three sermons that consecutively cover Matthew's Gospel, receives strength through the very roughness and directness of the word spoken under the inspiration of vast, visible audiences while addressed to the impressionable hearts of men. From first to last, the various units in the exposition proceed on the assumption that it was the intention of the writer to set forth the Person of our Lord in relation to His kingly office. So from the mystic account of His advent in human history, through the record of the authority of His ethical enunciation, the mercifulness of His method, the majesty of His death, and the glory of His resurrection, to the ringing claim of "all authority," and the

clarion command to "disciple the nations," we are ever in the presence of the King. In an enthusiastic review, the Sunday School Times observes, "It will prove a mine of treasure for teaching the Sunday - school lessons. There is hardly a page from which some expression of great force does not strike out at the reader.

### Victorious Eschatology

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Sonichu #0 is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin"

### The Second Coming of Christ

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

### The Gospel According to John

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

### Sonichu #0

Award-winning author and Bible teacher David Jeremiah says this is no time for the church to panic, to become distracted, to be confused by prophetic rabbit trails, or to miss priceless opportunities. In fact, these may be the best days to proclaim Christ since the first century. Previously titled "Until I Come," this book helps readers listen for, and hear, the master's voice even in the midst of chaos. (Practical Life)

### Systematic Theology

The rapture--or the belief that Jesus' living followers will, at some point, join him forever while others do not--is an important but contested doctrine among evangelicals. Scholars generally hold one of

three perspectives on the timing and circumstances of the rapture, all of which are presented in this important volume of the Counterpoints series, *Three Views on the Rapture*: Alan D. Hultberg (PhD, Trinity International University and professor of New Testament at Talbot School of Theology) explains the Pre-Wrath view. Craig Blaising (PhD, Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary) defends the Pre-Tribulation view. Douglas Moo (PhD, University of St. Andrews and professor of New Testament at Wheaton College) sets forth the Post-Tribulation view. Each author provides a substantive explanation of his position, which is critiqued by the other two authors. A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church. The interactive and fair-minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed, personal conclusions.

#### Matthew

In the study of end times (eschatology), evangelical Christians usually adhere to one of three positions. Premillennialism holds that Christ will return to earth before He reigns over an earthly kingdom for one thousand years. Postmillennialism says the kingdom of God will become realized on this earth through the church's influence, even before Christ's return. Amillennialism suggests the millennium is not a literal thousand-year reign, but that Christ's return will usher in eternity. The Return of Christ gathers presentations from the Acts 1:11 Conference where church leaders spoke in support of the premillennial position and pre-tribulation rapture. Regardless of whether or not a reader holds this same position, the text emphasizes the deep importance of eschatology in Christ's teaching ministry and as the focus for our hope. Indeed, without the promise of Christ's return, Christianity has little to offer the unbeliever. The book's dozen contributors include Jerry Vines, Ergun Caner, Danny Akin, Paige Patterson, David Allen, Richard Land, Junior Hill, Stanton R. Norman, Craig Blaising, Lamar Cooper, Steven Cox, and Michael Vlach.

#### Holy Bible (NIV)

Before and after the presidency of Donald Trump, the United States was--and now is again--on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as *The Secret Destiny of America*. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to "one nation under God." Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris, and even farther back as Nimrod, whom Masons consider to be the father of their institution.

#### Until Christ Returns

An authoritative guide to clearly understanding the place and meaning of prophecy in the Bible For thoughtful readers who are curious about biblical prophecy, this book will help them learn the place of prophecy in the message of the Bible and clear up the confusion that often surrounds reading these texts. Studying biblical prophecy is about much more than predicting end-times events. Rather, a proper approach to prophecy acknowledges that the threads of prophecy crisscross throughout Genesis to Revelation, forming the fabric of canonical Scripture. This is why having a good grasp of the prophetic genre is essential for understanding the message of the entire Bible. Authors Alan Bandy and Benjamin Merkle not only offer thoughtful and careful explanations of individual biblical prophecies, but also give the reader the big picture of how all prophecy relates to and should be interpreted in light of Jesus Christ. This book examines the nature, themes, purposes, and theology of biblical prophecy and provides a framework for how to interpret any passage in the context of the Bible as a whole.
