Teachings of an Outlaw Witch

Whether you are a seasoned practitioner or taking your first steps on The Path, Lady Kali Tara's Teachings of an Outlaw Witch will supplement your existing magickal repertoire, or serve as the foundation for your evolving Book of Shadows. Designed to meet the needs of both solitary and coven practitioners, this teaching tool is filled with recipes, spells, rituals, and exercises that allow you to customize and create ritual and spell-work directly on the page. This Primer for the Curious can be used alone or with the supplemental meditation CD and spirit stones. Wherever you stand on The Path, Teachings provides a unique resource to deepen your practice. Includes: * Step by Step instructions* Guided Visualizations* Exercises* Rituals* Spells* Correspondence Charts* CD & Spirit Stones available to order

Season of the Witch

This epic cultural and historical odyssey unearths the full influence of occult traditions on rock and roll -- from the Beatles to Black Sabbath -- and shows how the marriage between mysticism and music changed our world. From the hoodoo-inspired sounds of Elvis Presley to the Eastern odysseys of George Harrison, from the dark dalliances of Led Zeppelin to the Masonic imagery of today's hip-hop scene, the occult has long breathed life into rock and hip-hop—and, indeed, esoteric and supernatural traditions are a key ingredient behind the emergence and development of rock and roll. With vivid storytelling and laser-sharp analysis, writer and critic Peter Bebergal illuminates this web of influences to produce the definitive work on how the occult shaped -- and saved -- popular music. As Bebergal explains, occult and mystical ideals gave rock and roll its heart and purpose, making rock into more than just backbeat music, but into a cultural revolution of political, spiritual, sexual, and social liberation.

Detestable and Wicked Arts

In *Detestable and Wicked Arts*, Paul B. Moyer places early New England's battle against black magic in a transatlantic perspective. Moyer provides an accessible and comprehensive examination of witch prosecutions in the Puritan colonies that discusses how their English inhabitants understood the crime of witchcraft, why some people ran a greater risk of being accused of occult misdeeds, and how gender intersected with witch-hunting. Focusing on witchcraft cases in New England between roughly 1640 and 1670, *Detestable and Wicked Arts* highlights ties between witch-hunting in the New and Old Worlds. Informed by studies on witchcraft in early modern Europe, Moyer presents a useful synthesis of scholarship on occult crime in New England and makes new and valuable contributions to the field.

A Book of Scoundrels

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Ulysses

Never cross a master of the bow . . . A young archer bent on revenge against the knight who impoverished his family encounters an enigmatic stranger who promises him a far more potent form of retribution. But when Thomas finds himself hurled by magic to fight battles in faraway lands, he soon discovers that the vengeance his mysterious benefactor offers could change not only one archer's destiny, but that of the entire world. A masterful short historical fantasy full of magic, archery, and intrigue by the author of the acclaimed *Greatcoats* and *Spellslinger* series.

The Fox and the Bowman

A failed mage turned outlaw must use guile and a handful of spells to challenge a dangerous rival in the second book of an exciting adventure fantasy series from Sebastien de Castell. Forced to live as an outlaw, Kellen relies on his wits and his allies to survive the unforgiving borderlands. When he meets a young woman cursed with a deadly plague, he feels compelled to help. But her secrets draw powerful enemies and it's not long before Kellen is entangled in a conspiracy of blackmail, magic, and murder. As the bodies begin to pile up, Kellen fears he's next. The second novel in a compelling six-book series, bursting with tricks, humor, and a whole new way to look at magic. *Spellslinger Series* *Spellslinger* *Shadowblack* *Charmcaster* For more from Sebastien de Castell, check out: *The Greatcoats Quartet* *Traitor's Blade* *Saint's Blood* *Knight's Shadow* *Tyrant's Throne*

The Publishers Weekly

Does Scotland have a problem with racism? With its 'civic nationalism' and 'welcoming' attitude towards migrants and refugees, Scotland is understood to be relatively free of structural and institutional racism. As the contributors to this book show, such generalisations fail to withstand serious investigation. Their research into the historical record and contemporary reality tells a very different story. Opening up a debate on a subject that has been shut down for too long, *No Problem Here* gathers together the views of academics, activists and anti-racism campaigners who argue that it is vital that the issue of racism be brought into the centre of public discourse. Scotland's role in maintaining and extending slavery across the British Empire is finally beginning to receive the attention it deserves. Yet there is much more that needs to be said about racism in Scotland today.

Shadowblack

The common language that the people of the world have been seeking is found in water crystals. Water speaks for what is in our mind. Water awakens the subconscious memory in each person. . . I now know why water is indispensable to the phenomenon of life, and why alternative therapies exist and why they're effective. Water helped me understand religion and prayer and gave me a clue to understanding the nature of energy. It helped me understand the relationship between humanity and the cosmos. It gave me a clue to help me understand what dimensionality is. I could come one step closer to understanding the eternal theme of humanity that asks where we come from, why we are here, and what happens when we die. Thus, for the release of this, the third volume in my series of *The Message from Water*, I decided to choose what the world most urgently needs at present as a theme. That is, of course, the need to eliminate war and terrorism throughout the world. The theme I have chosen is prayer.' When I thought about it more deeply, I realized that prayer is most effectively sent

when each person in the world raises their energy of love by imagining a scene where the peoples of the world are living in peace. I've been taught this through the process of asking water many questions. For this reason, the title of this book is Love Thyself.' First you must shine with positive, high-spirited vibrations, and be full of love. In order to do that, I think it's important to love, thank, and respect yourself. If that's the case, then each of those vibrations will be sent out into the world and the cosmos, and the great symphony of that harmonic vibration will wrap our planet in waves of love that serve to cherish our Heaven-granted lives. This is the message from water.

No Problem Here

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

Love Thyself

This book explores the impact of the Lesson Books of the National Board of Education in Ireland in the nineteenth century. The author contextualizes the books used in national schools as well as across the wider British Empire: in doing so, he highlights the influence of the religious, social, political and cultural realms of the time. Firmly grounding the volume in its historical context, the author goes on to explore the contemporary moral climate and social influences, including imperialism, morality, rote-learning and socialization. Through meticulous analysis of each Lesson Book, the author traces the evolution of education in Ireland as a reflection of contemporary society, as it changes and transforms in line with cultural, religious and social changes. This pioneering and comprehensive volume will be of interest and value to students and scholars of education in Ireland as well as education in the British Empire more widely.

Way of the Argosi

EASY STEPS TO READING is a complete, 36-step linguistic primer and tutorial guide that has been scientifically developed to teach both children and adults to read in eight to nine months. EASY STEPS TO READING starts by teaching the alphabet and proceeds through consonant-vowel-consonant type phonetic words to multi-syllable irregularly spelled words. Each STEP contains words for decoding practice, plus stories for the development of reading comprehension. In one convenient book, EASY STEPS TO READING is the ideal method for home schooling, classroom teaching or individual tutoring, and makes learning to read a pleasant and rewarding experience.

Educational Resources in the British Empire

'A masterfully crafted, brutally compelling Norse-inspired epic' Anthony Ryan THE GREATEST SAGAS ARE WRITTEN IN BLOOD. A century has passed since the gods fought and drove themselves to extinction. Now only their bones remain, promising great power to those brave enough to seek them out. As whispers of war echo across the land of Vigrið, fate follows in the footsteps of three warriors: a huntress on a dangerous quest, a noblewoman pursuing battle fame, and a thrall seeking vengeance among the mercenaries known as the Bloodsworn. All three will shape the fate of the world as it once more falls under the shadow of the gods. Set in a brand-new, Norse-inspired world, and packed with myth, magic and bloody vengeance, The Shadow of the Gods begins an epic new fantasy saga from bestselling author John Gwynne. Further praise for The Shadow of the Gods 'Visceral, heart-breaking and unputdownable' Jay Kristoff 'A satisfying and riveting read. The well-realised characters move against a backdrop of a world stunning in its immensity. It's everything I've come to expect from a John Gwynne book' Robin Hobb 'A masterclass in storytelling . . . epic, gritty fantasy with an uncompromising amount of heart' FanFiAddict 'Quintessential Gwynne honed to perfection . . . The Shadow of the Gods is absolutely stunning, one hell of an epic series opener and a spectacular dose of Viking-flavoured fantasy' The Tattooed Book Geek 'Reminds me of all that I love in the fantasy genre. The Shadow of the Gods is an action-packed cinematic read' Fantasy Hive

Easy Steps to Reading

Why do we do the things we do? Over a decade in the making, this game-changing book is Robert Sapolsky's genre-shattering attempt to answer that question as fully as perhaps only he could, looking at it from every angle. Sapolsky's storytelling concept is delightful but it also has a powerful intrinsic logic: he starts by looking at the factors that bear on a person's reaction in the precise moment a behavior occurs, and then hops back in time from there, in stages, ultimately ending up at the deep history of our species and its genetic inheritance. And so the first category of explanation is the neurobiological one. What goes on in a person's brain a second before the behavior happens? Then he pulls out to a slightly larger field of vision, a little earlier in time: What sight, sound, or smell triggers the nervous system to produce that behavior? And then, what hormones act hours to days earlier to change how responsive that individual is to the stimuli which trigger the nervous system? By now, he has increased our field of vision so that we are thinking about neurobiology and the sensory world of our environment and endocrinology in trying to explain what happened. Sapolsky keeps going--next to what features of the environment affected that person's brain, and then back to the childhood of the individual, and then to their genetic makeup. Finally, he expands the view to encompass factors larger than that one individual. How culture has shaped that individual's group, what ecological factors helped shape that culture, and on and on, back to evolutionary factors thousands and even millions of years old. The result is one of the most dazzling tours de horizon of the science of human behavior ever attempted, a majestic synthesis that harvests cutting-edge research across a range of disciplines to provide a subtle and nuanced perspective on why we ultimately do the things we do...for good and for ill. Sapolsky builds on this understanding to wrestle with some of our deepest and thorniest questions relating to tribalism and xenophobia, hierarchy and competition, morality and free will, and war and peace. Wise, humane, often very funny, *Behave* is a towering achievement, powerfully humanizing, and downright heroic in its own right.

The Shadow of the Gods

Society was rocked when the Cathedral appointed Allegra, Contessa of Marsina, to negotiate the delicate peace talks between the rebelling mage slaves and the various states. Not only was she a highborn mage, she was a nonbeliever and a vocal objector against the supposed demonic origins of witchcraft. Demons weren't real, she'd argued, and therefore the subjection of mages was unlawful. That was all before the first assassination attempt. That was before Allegra heard the demonic shrieks. All before everything changed. Now Allegra and her personal guards race to stabilize the peace before the entire known world explodes into war with not just itself, but with the abyss from beyond. So much for demons not being real.

Behave

A disgraced magistrate on the run. A daring swashbuckler hunted by an unstoppable assassin. An investigator of the supernatural faced with a corpse that won't stop dancing. Here are eight tales of the Greatcoats, legendary sword-fighting magistrates brought together by an idealistic young king and disbanded after his execution as a tyrant. Follow along through their swashbuckling adventures, their triumphs and defeats, their darkest hours and their moments of shining redemption as they struggle to bring justice to a corrupt kingdom. Praise for the Greatcoats "First-rate fiction, first-rate adventure, first rate full stop." -Conn Iggulden, Bestselling Author of the Wars of the Roses "This is a One-in-a-million Series" -Fantasy Faction "Great rollicking fun combined with an emotional punch." -John Gwynne, Bestselling Author of Malice

The Demons We See

Presenting a fascinating insider's view of U.S.A.F. special operations, this volume brings to life the critical contributions these forces have made to the exercise of air & space power. Focusing in particular on the period between the Korean War & the Indochina wars of 1950-1979, the accounts of numerous missions are profusely illustrated with photos & maps. Includes a discussion of AF operations in Europe during WWII, as well as profiles of Air Commandos who performed above & beyond the call of duty. Reflects on the need for financial & political support for restoration of the forces. Bibliography. Extensive photos & maps. Charts & tables.

Tales of the Greatcoats Vol. 1

'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal How do you kill a Saint? Falcio, Brasti and Kest are

about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

Notes and Queries for Worcestershire

In Book 2 of a three-book series, things are dire for the inhabitants of Castle Gloom and the surrounding villages. The undead are leaving their graves in droves, a troll army is on the march from the north, and people are mysteriously disappearing from their homes. The people of Gehenna are blaming their misfortunes on Lilith Shadow, their young queen. They believe she has cursed them by using magic, a practice forbidden to women. With her trusty executioner among the missing and her blackguard soldiers busy battling trolls, it is up to Lily and her friend Thorn to root out the real cause of all the trouble. Their search will uncover ugly truths and eventually lead to a nightmarish confrontation with nothing less than the rulership of the realm at stake. Zombies, ghosts, trolls, dream weavers, a black-hearted villain, and a giant hero bat are only some of the imaginative delights that await readers who relish a soaring adventure combined with a hair-raising mystery.

The Literature Of The Highlands

A brilliant story of adventure, wit and philosophy from the origins of the SPELLSLINGER series to enrapture devotees as well as newcomers alike. New to the ways of the Argosi, the tribe of wandering philosophers who seek to defeat evil by wit and guile, Ferius Parfax encounters a hideous plague - the Red Scream. Highly contagious, caught by the hearing of a deadly verse, it turns its victims into mindless monsters that destroy all human life they come into contact with. With the help of a deaf boy whom she has saved from two horrifying victims of the plague, she sets out to find the source of the Red Scream and overcome it's terrifying power. Along the way she is joined by another Argosi, Rosie, who purports to be so much wiser and more adept than Ferius, but who turns out to have her own dark secrets. Peopled with extraordinary characters and gut-wrenching drama, Ferius's story teaches her hard lessons about the limits of the Argosi's ways. Readers will delight not just in this amazing masterclass in plot pacing and narrative drive, but in the seemingly bottomless well of wit, thought and wisdom that the story brings up and that has changed lives down the ages. It takes the reader on a journey like no other.

Highways and Byways in Cambridge and Ely

Homo Deus (Tamil)

"Kellen Argos is an outlaw spellslinger with a bad reputation, a long list of enemies, and zero luck. When he accidentally smears blood on the Daroman flag, he's dragged before the queen to be executed for his act of treason. Face-to-face with the young monarch, Kellen is offered a chance to save himself. If he can defeat the queen at a game of cards, he'll walk free... if not, his life is forfeit. But what begins as a game reveals a conspiracy against the queen's life. And now, Kellen is not only playing for his own freedom, but also for the future of an empire."--Amazon.com.

Fall of the Argosi

The final book in the page-turning 'Spellslinger' fantasy series.

The Firebird and the Fox

The story of a woman who discovers her inner strength. She is Ellen Ginsberg of Arizona who always considered her brother the bedrock of their turbulent family. One day he disappears in the desert, leaving behind his clothes. As she searches for him in the broiling sun, she reflects on their life and realizes she, not he was the strong one.

The Book of Buried Treasure

Author addresses the deplorable absence of discourse on black artists.

Queenslayer

Sex, Magick, Aleister Crowley, Orgasms, Erotic Dances, Angelic Beings, Revolutionary Activism, Liberation, Persecution, Defiance, and Suicide. Persecuted by Anthony Comstock and his Society for the Suppression of Vice, this turn-of-the-century heroine was also a spiritualist who learned many secrets of high magick through her claimed wedlock to an angelic being. Born in Philadelphia in 1857, Ida Craddock became involved in occultism around the age of thirty. She attended classes at the Theosophical Society and began studying a tremendous amount of materials on various occult subjects. She taught correspondence courses to women and newly married couples to educate them on the sacred nature of sex, maintaining that her explicit knowledge came from her nightly experiences with an angel named Soph. In 1902, she was arrested under New York's anti-obscenity laws and committed suicide to avoid life in an asylum. Now for the first time, scholar Vere Chappell has compiled the most extensive collection of Craddock's work including original essays, diary excerpts, and suicide letters--one to her mother and one to the public.

Spellslinger 6: Crownbreaker

From the author of the New York Times bestseller *The Inevitable*— a sweeping vision of technology as a living force that can expand our individual potential In this provocative book, one of today's most respected thinkers turns the conversation about technology on its head by viewing technology as a natural system, an extension of biological evolution. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed-or "what it wants." Kevin Kelly offers a dozen trajectories in the coming decades for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

Books in Print

A failed mage learns that just because he's not the chosen one it doesn't mean he can't be a hero in the third book of an exciting adventure fantasy series from Sebastien de Castell. Kellen's life as an outlaw spellslinger is about to get a lot worse. In Gitabria, a miraculous discovery draws spies from all over the continent willing to kill to get their hands on it. Swept up in the race for power, Kellen is forced to join the pursuit. But the invention holds a dark secret-one that could spark a war. Spellslinger Series Spellslinger Shadowblack Charmcaster Soulbinder For more from Sebastien de Castell, check out: The Greatcoats Quartet Traitor's Blade Saint's Blood Knight's Shadow Tyrant's Throne.

Funerals for Horses

Nonfiction. Political Science. Criticism and Theory. Art. "IMAGINAL MACHINES explores with humor and wit the condition of art and politics in contemporary capitalism. It reviews the potentials and limits of liberatory art (from surrealism to Tom Waits) while charting the always-resurgent creations of the collective imagination. Shukaitis exhibits a remarkable theoretical breadth, bringing together the work of Castoriadis, the Situationists, and autonomous Marxism to define a new task for militant research: constructing imaginal machines that escape capitalism. IMAGINAL MACHINES is truly a book that makes a path by walking"--Silvia Federici, author of CALIBAN AND THE WITCH: WOMEN, THE BODY, AND PRIMITIVE ACCUMULATION.

Art on My Mind

The Hunger of the Gods continues John Gwynne's acclaimed Norse-inspired epic fantasy series, packed with myth, magic and bloody vengeance Lik-Rifa, the dragon god of legend, has been freed from her eternal prison. Now she plots a new age of blood and conquest. As Orka continues the hunt for her missing son, the Bloodsworn sweep south in a desperate race to save one of their own - and Varg takes the first steps on the path of vengeance. Elvar has sworn to fulfil her blood oath and rescue a prisoner from the clutches of Lik-Rifa and her dragonborn followers, but first she must persuade the Battle-Grim to follow her. Yet even the might of the Bloodsworn and Battle-Grim cannot stand alone against a dragon god. Their hope lies within the mad writings of a chained god. A book of forbidden magic with the power to raise the wolf god Ulfrir from the dead . . . and bring about a battle that will shake the foundations of the earth. Praise for The Bloodsworn series: 'A masterfully crafted, brutally compelling Norse-inspired epic' Anthony Ryan 'Visceral, heart-breaking and unputdownable' Jay Kristoff 'A satisfying and riveting read. The well-realised characters move against a backdrop of a world stunning in its immensity. It's everything I've come to expect from a John Gwynne book' Robin Hobb

Sexual Outlaw, Erotic Mystic

In a new novel as unique as it is compelling, Catherine Ryan Hyde tells the powerful tale of one man's fall from grace with God--a contemporary reinterpretation of the Book of Job set in modern-day California.
