

Nehru A Troubled Legacy

[#Jawaharlal Nehru](#) [#India](#) [#Post-Independence India](#) [#Nehruvian Socialism](#) [#Economic Challenges](#)

Jawaharlal Nehru's legacy in India is complex and often debated. While celebrated for his role in India's independence and his vision of a modern, secular nation, his policies also faced significant challenges. His economic policies, particularly Nehruvian socialism, are often criticized for hindering growth and creating bureaucratic bottlenecks, leading to a period of economic stagnation and leaving a legacy of unresolved problems for subsequent governments.

The Sardar of India

Sardar Vallabhbhai Patel This biography of Sardar Vallabhbhai Patel is a comprehensive and vivid narration of his unique contribution to Mahatma Gandhi's struggle for India's freedom (1920-47). Without his support, Mahatma Gandhi admitted, his satyagrahas wouldn't have had the same success. It was he who built the party machine through the imposition of strict discipline and by giving it a mass base, and as party boss supervised and directed the functioning of the Congress ministries post-1937 provincial elections. Patel's post-1945 role concerned India's freedom, and also marked the end of his being Gandhi's blind follower. Disillusioned with his own party in the failure of the Cabinet mission parleys, he negotiated directly with Cripps and helped the Congress form the Interim government He wanted to keep Jinnah out in the cold and suffer in his isolation. The book discusses his failure, rather than of the party, with Wavell's maneuvering in getting the Muslim League into the Cabinet as an equal with the congress. With that Jinnah conducted his fight from within. Realizing that united India had become an impossibility and the country faced chaos and total disintegration, Patel rose above all considerations to save and consolidate what would be left of India after Partition. This he achieved through administrative unity by forming the IAS on an all-India basis, and the country's unity through the integration of the Princely States. This book returns to the earlier two decades to show the unity of Patel's thinking and actions. The history of the Gandhian era cannot be complete and properly understood unless Patel is read and appreciated for what he did and achieved for India. Contents • Preface • Sardar Vallabhbhai Patel: Early Life • Sardar Patel: Builder of a Steel Strong India • The Satyagraha: Bardoli and its People • Movement for Indian Independence • Iron Man of India as Seen by His Daughter • The Transfer of Power: Real or Formal? • Partition of India and the Creation of Pakistan • Making of the Constitution and Constituent Assembly in India. • Bibliography • Index

Examines Patel's contributions to nation-building, his leadership during challenging times, and his enduring legacy as the Iron Man of India and a unifying force in the country's history.

Sardar Patel

"We should remove the dirt of slavery that pervades around us . If the stink of slavery persists even after gaining freedom; the fragrance of freedom would not pervade." —Sardar Patel

The Life and Times of Sardar Vallabhbhai Patel

As prime minister of Britain, Winston Churchill had ordered the preparation of an imperial strategy with the intention of Balkanizing India and tightening Britain's post-war hold over her. The strategy envisaged two Pakistans, one in the west and the other in the east, both large in size at India's expense; the west to include the non-Muslim east Punjab; the east, the whole of Bengal (despite Hindus comprising almost half the population), and the predominantly Hindu Assam. Within her borders, India was to be Balkanized with the creation of independent confederations of princely states. Attlee's policy statement of 20 February 1947 was to implement the same, and Mountbatten was given the mandate to transfer power and quit India by June 1948, a date that was advanced to August 1947. However, Sardar Vallabhbhai Patel foiled Churchill's strategy. This book examines Patel's extraordinary contribution, from his unflinching support to Gandhi's satyagrahas and the Indian freedom struggle, to his farsighted and courageous approach in building a strong, integrated India.

Sardar Vallabhbhai Patel

Sardar Vallabhbhai Patel was a determined nationalist to enter into the Indian politics as the leader of the farmers. He was born on 31st October, 1875 in the village of Karamsad in Borsad block of the state of Gujarat. His father's name was Jhabber Bhai Patel and mother's name was Ladbai. His father was a farmer. His parents believed in the policy of simple living and high thinking. His parents brought up little

Vallabh with love and care. The little child Vallabh had a wonderful sparkle in his eyes. He had every sign of greatness in him since his childhood.

Contributed articles on the life and work of Vallabhbhai Patel, 1875-1950, politician and statesman from India.

Sardar Vallabhbhai Patel, the Nation Builder

Vallabhbhai Patel, popularly known as Sardar Patel, was one of India's towering leaders, whose contribution to the Indian Republic is immense. Inspired by Mahatma Gandhi to join the freedom struggle, Patel was at the forefront of the Quit India movement, and was arrested by the British a number of times. After Independence, he served as India's first home minister and deputy prime minister. A successful lawyer, he used his legendary negotiation skills to unite the 550 princely states and colonial provinces under the Union of India, to create the nation we know today. The speeches and writings collected here showcase Vallabhbhai Patel's unique vision for his beloved country-his staunch belief in communal harmony, benefits of freedom for all citizens and in peace and cooperation between different regions.

Sardar Patel

Vallabhbhai Patel, popularly known as Sardar Patel, was an Indian barrister and statesman, one of the leaders of the Indian National Congress and one of the founding fathers of the Republic of India. He was a social leader who played a leading role in the country struggle for independence and guided its integration into a United, independent nation. Inspired by Mahatma Gandhi to join the freedom struggle, Patel was at the forefront of the Quit India movement and was arrested by the British a number of times. After Independence, he served as India's first home minister and deputy prime minister. In India and elsewhere, he was often addressed as Sardar, which means chief in Hindi, Urdu and Persian. Sardar Patel was raised in the countryside of Gujarat. Patel was employed in successful practice as a lawyer. Patel subsequently organised peasants from Kheda, Borsad, and Bardoli in Gujarat in non-violent civil disobedience against oppressive policies imposed by the British Raj; in this role, he became one of the most influential leaders in Gujarat. He rose to the leadership of the Indian National Congress and was at the forefront of rebellions and political events, organising the party for elections in 1934 and 1937, and promoting the Quit India movement.

Vallabhbhai Patel, Power and Organization in Indian Politics

Sardar Vallabhbhai Patel is considered as one of the founding fathers of the Republic of India. From his early childhood, Patel fought against injustice and considered duty as his religion. He entered into politics to serve the common men and soon became popular due to his honesty and dedication. He also tried his best to eradicate the problems of peasants. Becoming the President of Indian National Congress, he played a leading role in country's Struggle for Independence and was arrested very often. After independence, he became the first Home Minister and Deputy Prime Minister of India and guided its integration into a united, independent nation. In the honour of the 'Iron Man of India' – Sardar Vallabhbhai Patel, Gujarat government is going to build the 'Statue of Unity' at Sadhu Bet, a few miles away from the Sardar Sarovar Dam on the riverbed of Narmada. This will be the world's tallest statue and a tribute to the great patriot and architect of modern India.

My Reminiscences of Sardar Patel

Vallabhbhai had an interest in English language. Among his several wishes one of them was his carving of going to England. He wanted to learn English because it was the language of both business and government work. He wanted to go to England because after going there he wanted to see that what specialty did it held through which it had spread its empire so vast that there was no sunset in their empire. Apart from this his ambition of having higher education also would have been fulfilled only after going to England. His dream of going to England was very far but the dream of learning English language was just 7 miles away from his village Karmasad. English language was taught very nicely in village Petlad. He made up his mind for going there and at the same time convinced six other friends of his to go along with him. Other reason for Patel to leave Karasmd was that in his village school he had a conflict with one more teacher. Due to such nagging his studies were also being badly affected, with such situations he was very much upset.

Sardar Vallabhbhai Patel

Role And Contribution Of Sardar Vallabhbhai Patel In The Freedom Struggle Of India And After The Dawn Of Freedom Has Been Of Great Importance. It Was Only Sardar Patel Who Made India One Nation By Merging 554 Native States Into Its Union For The First Time In History. Study Of His Life And Achievements Is A Need Of The Hour Because Indian Political Sky Is Over-Cast Today By Dark Clouds Of Disintegration, Separatism, Regionalism And Terrorism. This Work Contains Articles From Eminent Persons Like Late Chowdhary Charan Singh And Ashoka Mehta, Shri H.M. Patel, Shri V.N. Gadgil, Shri Rajesh Pilot, Shri Frank Anthony, Shri R.R. Diwakar And Shri M.C. Brian, Who Had Worked As Private Assistant Of Sardar Patel. All Contributions Of The People Who Had Been In Direct Touch With Sardar Patel Are Of Great Value.

Biography of Sardar Vallabhbhai Patel

Patel: Political Ideas and Policies comprehensively presents the different facets of Sardar Patel's political life, his ideas and their applications. The book provides a detailed analysis of his perspectives on liberal democracy, nationalism and the state--the three pillars of his political life. Patel's role in the Constituent Assembly, transfer of power, integration of princely states with independent India and their territorial reorganization, administrative reforms, formation of the Planning Commission and creation of India's foreign policy were decisive to the consolidation and the very survival of India as a nation. He played an equally decisive role in the formulation of India's economic policies. After Patel's death in

1950, his contributions to the nation have often been undermined and various negative characteristics have been attributed to him. This book aims to debunk these notions. It is based on the collected works of Patel and attempts to fill in the gap created by the absence of any significant academic work on his life and work.
