### Gabriel and other Tales

One city. Four stories. Gabriel harbors a secret that torments him. A secret so dark it could never be uttered aloud . . . or so he thought. Candace, Gared, and Sheila are three souls searching for their place in the world when one bag converges their paths and changes the course of their lives forever. Sam is a man in the wake of a midlife crisis. While others would turn to more conventional methods, Sam employs a rather unique sort of coping mechanism. Leslie Ann's grief is so powerful it's crippling her. So powerful she can't move on with her life. So powerful that it bends the very laws of the cosmos.

### Gabriel-Ernest and Other Tales

A unique collection which includes 8 stories about the dark side of adolescence. They beautifully illustrated by Quentin Blake. The local landowner Van Cheele experiences an unnerving encounter with a youth sunning himself near a pond, and starts to wonder if there is any connection between this wild-looking boy and the recent disappearances of poultry, hares, lambs and, more alarmingly, an infant child in the area. To his astonishment, he discovers the next day that his aunt has decided to take the boy in, buying him a suit of clothes and naming him Gabriel-Ernest. Van Cheele remains suspicious, especially when it is revealed that there is something supernatural about their new ward...

An eerie and disquieting tale about the dark side of adolescence, 'Gabriel-Ernest', written with Saki's trademark wit and mischievousness, is here presented with seven other uncanny and macabre tales, featuring Quentin Blake's inimitable illustrations.

### The Hunter's Plight and Other Stories

The book is a collection of (7) short stories that are based on fiction but depicts real life events. It encapsulates knowledge, wisdom and understanding, to all categories of readers especially the Teenagers and Adolescents. The Author is a Graduate, MSC holder in Accountancy and he holds a Higher Diploma in Data Analytics as well as, he has written 2 playwrights, "The Quest of Demigods."

### Gabriel's Palace

Over 150 tales from the Talmud, the Zohar, Jewish folktales, and Hasidic lore.

### Gabriel-Ernest

This early work by H. H. Munro was originally published in 1910 and we are now republishing it with a brand new introductory biography. 'Gabriel-Ernest' is a short story about a were-wolf named Gabriel and his terrible deed. Hector Hugh Munro was born in Akyab, Burma in 1870. He was raised by aunts in North Devon, England, before returning to Burma in his early twenties to join the Colonial Burmese Military Police. Later, Munro returned once more to England, where he embarked on his career as a journalist, becoming well-known for his satirical 'Alice in Westminster' political sketches, which appeared in the Westminster Gazette. Arguably better-remembered by his pen name, 'Saki', Munro is now considered a master of the short story, with tales such as 'The Open Window' regarded as examples of the form at its finest.

### Lost, and other tales for children, adapted from the tr. by the author of 'Tyborne'.

A group of friends must unlock a closet of dark, disturbing memories in order to preserve a symbol of their childhood in the street where I lived. In the Red Planet a man finds an artefact with the power to end a life of despair and unhappiness but at what cost? A pet store owner and his grandson meet a ten year old girl that will change their lives forever in Mary-Anns Party. Read these and other macabre tales as you journey into a world where the line between nightmares and reality does not exist. So ... hang up your coat and make yourself comfortable, you're going to STAY THE NIGHT.

### Stay the Night

Robert Murray Gilchrist (1868-1917) was a master of mystery and horror, as this richly varied collection shows.

### Frank: The contrast, and other tales

At a country house party Cornelius Appin announces that he has discovered a method by which animals can be taught to speak. His latest pupil is none other than Tobermory, the ginger cat belonging to his hosts, Sir Wilfred and Lady Blemley. As the guests express astonishment and incredulity, Sir Wilfred goes off to find Tobermory, who is lounging in the smoking room waiting for his tea. What Appin claims is true, and Tobermory demonstrates his remarkable talents with a number of embarrassing and revelatory comments which prove more than a little uncomfortable for the assembled guests. In addition to 'Tobermory', this anthology features a selection of animal stories by one of the greatest writers of short stories in the English language.

### A Night on the Moor and Other Tales of Dread

Gabriel is a man of contradictions; soaring success and abject failure. Blessed with a brilliant mind yet incapable of understanding that most simple equation; to create contentment and happiness. Lost to the progressives, he feels marginalised until a beautiful epiphany which saves his life but one he must strive to understand to save his soul.

### Tobermory and Other Stories

Over 150 tales from the Talmud, the Zohar, Jewish folktales, and Hasidic lore.

## I, Gabriel

If losing his job was bad enough getting run over and waking up to find himself in a therapy group run by angels just beneath Heaven really annoys Gabriel Bell. Gabriel is joined in therapy by Kevin, a professional killer, Yvonne, Kevin's last victim and Julie, an art teacher who was driving the car that put Gabriel in a coma.

## Gabriel's Palace

Mark Twain was an American writer, journalist, and publisher. Among his most famous novels are "The Adventures of Tom Sawyer" and its sequel, "The Adventures of Huckleberry Finn." His wit and satire, in prose and in speech, earned praise from critics and peers. This volume includes some of his amazing works: a novel about Buffalo Bill's favorite horse "A Horse's Tale," a short story "The Celebrated Jumping Frog of Calaveras County," and "Letters from the Earth," the most controversial work of the author. The story shows a unique view on the Satan's exile from heaven and his experiences on Earth.

## Gabriel's Angel

Tall Trees Short Stories: Volume 21 is a collection of 18 extraordinary tales exploring the natural world and our relationship with it, written by environmentalist and celebrated tree author Gabriel Hemery.

## Celebrated Jumping Frog of Calaveras County and Other Tales

This gripping tale of urban horror follows the lives of five lonely tenants -- strangers -- whose lives become intertwined when they discover a dark mark scrawled on the walls of their building. The horror sprouts quite innocently from a small seed and finds life as something otherworldly, damaged, full of love, hate, fear, and power. As the walls come alive, everyone is slowly driven mad -- defenseless against the evil in the building, stripped of free will, leaving only confusion, chaos, and eventual death.

## Tall Trees Short Stories

Book Excerpt: ...e to say what he liked or disliked. So when Brother Stephen saw Gabriel's eager admiration, he felt pleased indeed; for Gabriel had a nice taste in artistic things, and seemed instinctively to pick out the best points of anything he looked at. And when, in his enthusiasm, he carried the book over and began to tell Brother Stephen why he so much admired the painting, without knowing it, he really made the latter feel happier than he had felt for many a day. He began to have a decided notion that he would paint King Louis's book after all. And just then, as if to settle the matter, he happened to glance at the corner of the table where Gabriel had laid down his bunch of flowers as he came in. It chanced that some of the violets had fallen from the cluster and dropped upon a broad ruler of brass that lay beside the painting materials. And even as Brother Stephen looked, it chanced also that a little white butterfly drifted into the room through the bars of the high, open window; after vaguely flutt...

## The Bookseller

This unique collection of Stewart's short stories and descriptive narratives is a testament to the author's vast imagination. Featuring popular Midwest tales such as "Morrie the Ice Queen" and "The Makeover" as well as some delightful European offerings such as "St Francis and the Goat", "The Missing Bride" as well as cross-cultural works like "The Tournament", "The Boat" and the future classic coming of story, "The Buttercups", this compilation also includes darker works reminiscent of the author's earlier years "Cell Block Seven" and "The Proposal". These selections illuminate the depth of Stewart's imagination, humor, irony, and narrative creativity. These are directed to the young and those who wish they still were.
