Environmental Scanning - Environmental Scanning by GreggU 36,198 views 4 years ago 2 minutes, 4 seconds - Let's explore **environmental**, scanning. **Environmental**, scanning involves searching the **environment**, for important events or issues ...

Managers scan the environment to stay up-to-date on important factors in their industry and to reduce uncertainty.

ISSUES • After scanning, managers determine what environmental events and issues mean to the organization • Typically, managers view environmental events and issues as either threats or opportunities

RESPOND After scanning for information on environmental events and issues and interpreting them as threats or opportunities, managers have to decide how to respond to these environmental factors
COGNITIVE MAPS Because it is impossible to comprehend all the factors and changes, managers often rely on simplified models of external environments called cognitive maps.
